GET SMART ABOUT CREDIT DAY – OCTOBER 15, 2009

# Help Teens in Your Community Get Smart About Credit

The Texas Bankers Foundation and the IBAT Education Foundation encourages Texas bankers to participate in **Get Smart About Credit Day on October 15**. This is a great opportunity to bring important lessons on credit to teens and young adults in your community.

In honor of the program's fifth anniversary the American Bankers Association Educational Foundation has updated The Get Smart About Credit Resource Kit. For the first time, the kit will include a Flash presentation and PowerPoint slideshows of credit case studies to supplement the written lesson plans and handouts. Bankers can interweave electronic and hard copy materials to create an experience that informs – and engages – their teenage audience. Guidelines for incorporating the electronic materials into a presentation are all part of the standard kit. The kit includes resources, tips and ideas for successful presentations. Each resource kit includes:

### Age-Appropriate Lessons
